**Announcement**

**Indian Council of Medical Research**

**ICMR International Fellowships for Biomedical Researchers/Scientists Year 2011-12**

Applications are invited from the Indian biomedical young/senior scientists for the international fellowships for the year 2011-12. Aim of the fellowships is that the Indian Biomedical Researchers/Scientists working in the core health sectors are exposed to latest international advancements in knowledge to understand disease process and find strategies for its prevention and cure. They will be provided financial support by ICMR for international exposure. Number of fellowships for Young scientists (below 45 years of age) is 12; and for Senior scientists (below 55 years of age) is 6. Duration of fellowship is 3-6 months for Young scientists; and 10-15 days for Senior scientists. Last date of receipt of applications is 15th March, 2011. For details and format of application, log on to ICMR website: http://www.icmr.nic.in. For further information, contact Dr Harpreet Sandhu, Scientist D, International Health Division, Indian Council of Medical Research, V. Ramalingaswami Bhawan, Post Box No.4911, Ansari Nagar, New Delhi-110029, India (Telephone no. 26589492; E-mail ID: sandhuh@icmr.org.in).
