Announcement

Indian Journal of Natural Products and Resources (Quarterly) was formerly known as *Natural Product Radiance* (NPR), a bimonthly journal started in 2002. Accordingly, Volume 1 to Volume 8 (2002 to 2009) have been brought out under the name *Natural Product Radiance*.

Over the years the contents of NPR have been diversified in response to contributors' so to make its name be responsive, we made efforts to rename it and obtained new name, *Indian Journal of Natural Products and Resources* (IJNPR) from Registrar Newspaper India (RNI). However, as per their instructions new name shall start from Vol. 1.

NPR being bimonthly journal, its four issues February, April, August and October were devoted to original research papers and reviews whereas June and December issues to compiled current literature and other information. Now compiled information parts have been discontinued and research papers part of NPR has been made a quarterly journal entitled, *Indian Journal of Natural Products and Resources* (IJNPR). It will now include more number of papers in each issue. The former title continued to imply a more limited scope but the name change signals an updating of old title to reflect this journal's scope and contents.

Hopefully, these changes will help us in getting included this journal in Journal Citation Reports/Science edition for calculating impact factor. However, the papers published in this journal are covered by the following leading abstracting and current awareness services and hopefully it will continue.

- **CAB International, UK** (covered in 30 abstracting journals, viz., Abstracts on Hygiene and Communicable Diseases, AgBiotech News and Information, Agroforestry Abstracts, Botanical Pesticides, Field Crop Abstracts, Forest Products Abstracts, Forestry Abstracts, Helminthological Abstracts, Horticultural Science Abstracts, Nutrition Abstracts and Reviews Series A, Plant Breeding Abstracts, Plant Genetic Resources Abstracts, Postharvest News and Information, Protozoological Abstracts, Review of Agricultural Entomology, Review of Aromatic and Medicinal Plants, Reviews of Medical and Veterinary Entomology, Reviews of Plant Pathology, Seed Abstracts, Soils and Fertilizers, Tropical Diseases Bulletin, Veterinary Bulletin, Weed Abstracts, etc.)
- **MANTIS**
- **Indian Science Abstracts**, NISCAIR, New Delhi
- **Medicinal and Aromatic Plants Abstracts**, NISCAIR, New Delhi
- **Elsevier Products** (2010 onwards)
- **Emerging Sources Citation Index**, Thomson Reuters
