TRIPS—FIFTEEN YEARS AND AFTER
ARCHITA BHATTA
There is need to plan ways to ensure that strict IP regimes do not milk the poor in the developing world

SOLAR POWER TREE
S. N. MAITY
Here’s an idea for a Solar Power Tree that uses up very less land

OF ‘PACHYDERMIC’ BONDAGE!
R. VATHSALA
Elephants help and comfort each other just as we do

MICROBES ON YOUR BODY!
RAKESH MOHAN HALLEN
Do we have distinct microbial signatures at birth, or do they evolve as we age?

PIERRE PAUL BROCA
KOUSHIK ROY
Almost 150 years ago Pierre Paul Broca carried out pathbreaking researches on human brain...
