CIRCULAR

Sub: Submission of purchase indents

Kindly refer to this section circular of even No. dated 22.07.2014 on the above subject.

In order to make smooth and timely procurement for the current financial year, it is necessary that the requirements by the respective user scientists / officers are raised immediately.

Therefore, all the employees of CSIR-NISCAIR are requested to submit their requirements on purchase indents form under capital budget heads P-50 (including IT equipment, office equipment, furniture etc.) through their HODs to the Purchase Section to be placed before the Prioritization Committee for consideration latest by 30.10.2014.

After approval of the Director, a priority list of capital items to be procured shall be made and items may be procured as and when funds under capital heads are available. Kindly note that all the purchases shall be made only as per the priority list and no other indent except under special circumstances shall be entertained.
