Announcement

National Symposium on Microwave Field Measurement, Biological Effects and Application in Nano-Science (MICRO-NANO-2011)

4 and 5 March 2011, JNU, New Delhi

Organized and sponsored by the Jawaharlal Nehru University, New Delhi and Microwave Applications Society of India (MASI), New Delhi in collaboration with IEEE-MTT Society, the symposium will be based on nanotechnology, biomedical, biophysical and environmental research issues.

The topics to be covered will include but not limited to the following: (i) Principle of microwave radiations (ii) Electromagnetic fields-bio-interactions and solution (iii) Electromagnetic fields and environment (iv) Radiofrequency fields measurement and dosimetry (v) Radiation hazards and safety standards (vi) Nanotechnology in wastewater treatment, and (vii) Nanoscience applications in medical, biological and environmental issues.

For further details, kindly contact Prof. J. Behari, School of Environmental Sciences, Jawaharlal Nehru University, New Delhi 110 067. Telephone: +91-011-2670 4323 (O), +91-011-2617 5857 (R); Fax: +91-011-2616 5856; E-mail: masijnudelhi@gmail.com

Editor's Note

The *Indian Journal of Experimental Biology* is covered by the following international abstracting and indexing services:

Science Citation Index Expanded™
PubMed (<http://www.ncbi.nlm.nih.gov/>)
MEDLINE
BIOSIS
Chemical Abstracts Service
Excerpta Medica
Informascience
Refrativnyi Zhurnal
Zoological Records
