

INDIAN JOURNAL OF GEO-MARINE SCIENCES

Volume 40 Number 6

December 2011

CONTENTS

RESEARCH ARTICLES

- 747 Studies on the settlement and succession of macrofouling organisms in the Kalpakkam coastal waters, southeast coast of India; Gouri Sahu, M Smita Achary, K K Satpathy, A K Mohanty, S Biswas & M V R Prasad
- 762 Backscattering of light by coastal waters using hyperspectral *in-situ* measurements: A case study off Veraval, Gujarat, India; Arvind Sahay, Prakash Chauhan, P V Nagamani, Nivedita Sanwalani & R M Dwivedi
- 770 Impact of environmental conditions on *Posidonia oceanica* meadows in the Eastern Mediterranean Sea; F Koçak, E Uluturhan, G Yücel Gier & S Aydın Önen
- 779 Macroparasites in intertidal gastropods on Qeshm Island, Northern Persian Gulf, Iran; Elham Karimi, Jamileh Pazooki & Mohammad Reza Shokri
- 783 Utility of benthic diversity in assessing the health of an ecosystem; P Murugesan, M Muniasamy, S Muthuvelu, S Vijayalakshmi & T Balasubramanian
- 794 Impact of cyclones on the Bay of Bengal chlorophyll variability using remote sensing satellites; R K Sarangi
- 802 Trend of sea level change in the Hugli estuary, India; Sreetapa Nandy & Sunando Bandyopadhyay
- 813 Coral disease prevalence in the Palk Bay, Southeastern India – with special emphasis to black band; T Thinesh, G Mathews & J K Patterson Edward
- 821 Occurrence of red tide caused by *Karenia mikimotoi* (toxic dinoflagellate) in the Southwest coast of India; N V Madhu, P D Reny, Meenu Paul, N Ullas & P Resmi

- 826 Seasonal variation in the hydrolytic exo-enzyme profile of *Vibrio* sp. associated with the marine benthic environment of South India; Raghul Subin S & Sarita G Bhat
- 834 Juvenile abundance and post-larval incursion of mud crabs (*Scylla* spp.) in Chilika lagoon; Anil Mohaptra, S K Mohanty & Rajeeb K Mohanty
- 841 Experimental culture of the Pharaoh's cuttlefish *Sepia pharaonis*, Ehrenberg 1831, under closed circulation systems; Deepak Samuel V & Jamila Patterson
