RESEARCH ARTICLES

1623 Distribution of rare earth elements in the inner shelf sediments, off the southwest coast of India: C. Jayaprakash, R. Sajeev & A. Anil Kumar

1631 Stomach content analysis of Cobia *Rachycentron canadum* (Linnaeus, 1766) from North West coast of in India: M.K. Sajeevan & B. Madhusoodana Kurup

1638 Chlorine dioxide as antifouling biocide results in reduced Trihalomethanes in condenser effluents at a coastal power station: R. Rajamohan, V. P. Venugopalan & Usha Natesan

1645 Forest landscape connectivity change analysis in the Yangtze River basin by multi-temporal satellite data: Pujiang Huang, Fengjiao Du, Shuo Yang & Chang Liu

1652 The influence of tectonic characteristics on the accumulation of Coalbed Methane in H area: Guo Yu, Zhao Jingzhou, Gang Wenzhe, Hu Linnan & Zhao Danfeng

1660 A study on seasonal changes of microalgae in relation to the physico-chemical parameters of Satyavaram Pond, Srikakulam Dist, India: Jyotsna Nandigam, Subba Rangaiah G & Mohan Narasimha Rao Geddada

1669 Fatty acids composition of phospholipids in brown algae *Sargassum subrepandum* along the coast of Jeddah and bactericidal bioassay of the crude extract: Radwan Al-Farawati

1677 Use of different approaches to model catch per unit effort (CPUE) abundance of fish: Vinod K. Yadav, Shrinivas Jahageerdar, Ramasubramanian V.,Vidy S. Bharti & Adinarayana J.

1696 RAPD analysis of dominant denitrifying bacterial species in the estuarine environment of south west coast of India: P. Mohideen Askar Nawas, R. Ramasubburayan, A. Palavesam, & G. Immanuel
Biomonitoring of Pb, Fe and Zn using corals as bioindicator species, Qeshm Island, the Persian Gulf: Zahra Darvishnia, Alireza Riahi Bakhtiari, Ehsan Kamrani, Mir Masoud Sajjadi & Maryam Fakharzadeh

Distribution and abundance in time and space of pelagic stingray Pteroplatytrygon violacea (Bonaparte, 1832): M.K. Sajeevan & Rajashree B. Sanadi

Spatial and temporal variations of biofouling on the oil platforms around Khark Island, Persian Gulf: Nafise Amini, Hamid Rezai, Fatemeh Pourjomeh & Aria A. Ardalan

Numerical simulation of flow pattern and sediment processes of a tidal inlet: Bakhshandeh, F., Karami Khaniki, A., lari, K

Bioaccumulation of Fe, Zn and Pb in Faviidae and Poritidae corals from Qeshm Island, Persian Gulf, Iran: Zahra Darvishnia, Alireza Riahi Bakhtiari, Ehsan Kamrani & Mir Masoud Sajjadi

Desert aquaculture & environmental sustainability: Sambhu Chithambaran

Age and growth of squirrel fish, Sargocentron rubrum, (Forsskal, 1775) from Cuddalore waters, Southeast coast of India: Anbalagan.T, A.Murugan, P. Jawahar, P. Vijayanand, R.Saravanan & N.Veerappan

Cultivation of Spirulina platensis in different selective media: R. Dineshkumar, R. Narendran & P. Sampathkumar
