CONTENTS

1940 IJMS ANNOUNCEMENTS

1941 REVIEW ARTICLES
A review on the distribution of Phylum Phoronida from India with recent observations on Phoronis psammophila: Jyoti Mulik, Christian C. Emig & Soniya Sukumaran

1945 RESEARCH ARTICLES
Relict benthic foraminifera in surface as well as sub-surface sediment off Gopalpur- Palur, Odisha: Indicator of sea level changes: Sachin Kumar Tripathi & Sarath L.G.

1950 Dating of zircon LA-MC-ICP-MS U-Pb in metabasalt of zhaertai group, Inner Mongolia, China: Zhaojun Song, Fanxue Meng, Haifeng Li, Xinyu Yuan, Xuping Li & Qinglin Xu

1959 Mineralogical study on the magmatic rock in Cishan gold deposit, Tongling, China: Mingxuan Li, Yangsong Du, Dongqian, Wei Tu & Xiaoliang Yu

1986 Assessment of some demographic trends of Spadenose shark (Scoliodon laticaudus) of the Bay of Bengal, Bangladesh: Ehsanul Karim, LIU Qun, MEMON Aamir Mahmood, Abdul Baset, M Enamul Hoq, M Mostafa Shamsuzzaman & Adhir Das

1996 Captive breeding and rearing of the yellow seahorse, Hippocampus kuda (Bleeker, 1852) in support of the marine ornamental fish industry and conservation: A. Murugan, R. A. Sreepada, S. V. Sanaye & H. B. Pawar
Gray relational entropy method in analysis the sensitivity of shipborne storage reliability for missile: Qingwei Liang & Dongdong Wang

Cyclic feed restriction on growth compensation of *Penaeus monodon* (Fabricius): science meets practice: Rajeeb K. Mohanty & Anil Mohapatra

Bio-economic efficiency of copper alloy mesh technology in offshore cage systems for sustainable aquaculture: Ümüt Yigit, Sebahattin Ergün, Musa Bulut, Barbaros Celikkol & Murat Yigit

Bayesian analysis on stock-recruitment relationship with an application to the southern Atlantic albacore (*Thunnus alalunga*): Kui Zhang, Jun Zhang, Youwei Xu, Xinxing Wang & Zuozhi Chen

First record of an anophthalmic unicorn cod, *Bregmaceros mcclellandi* Thompson, 1840 in dol net landings from Versova, Mumbai, Maharashtra: Manmeet Kaur Nalwa, Ashok Kumar Jaiswar, Subal Kumar Roul, G.B.Sreekanth & Sushanta Kumar Chakraborty

Species composition and temporal variation of trawl by-catch in fishing grounds off northern Andhra Pradesh, western Bay of Bengal: Pralaya Ranjan Behera, Shubhadeep Ghosh, Muktha M, M Satish Kumar & Jishnu Dev M

Genetic diversity of bioluminescent bacteria in diverse marine niches: CH. Ramesh & R. Mohanraju

Antibacterial activity of marine bioluminescent bacteria: CH. Ramesh & R. Mohanraju

Evaluation of antiluminous bacterial efficacy of *Areca catechu* nut methanol crude extraction in controlling luminous bacteria *Vibrio campbellii* in shrimp culture systems: CH. Ramesh & R. Mohanraju

Molecular characterization of marine pigmented bacteria showing antibacterial activity: CH. Ramesh, R. Mohanraju, K. N. Murthy & P. Karthick

Signatures of Tropical climate modes on the Red Sea and Gulf of Aden Sea Level: Kamaldien I. Alawad, Abdullah M. Al-Subhi, Mohammed A. Alsaafani & Turki M. Alraddadi

Effect of randomly fiber reinforcement on shear failure surface of soil, behind flexible retaining walls at different conditions: Semet Çelik, Babak Karimi Ghalehjough, Payam Majedi & Suat Akbulut

Voltage regulation and enhance load sharing in DC microgrid based on Particle Swarm Optimization in marine applications: Shivam & Ratna Dahiya
Application of ANN and ANFIS model on monthly groundwater level fluctuation in lower Bhavani River Basin: Vetrivel N & Elangovan K

Depositional mechanism of sediments through size analysis from the core of Arasalar river near Karaikkal, east coast of India: S.Venkatesan, S.R. Singarasubramanian & K.Suganraj

New records of two Leucosiid crabs (Crustacea: Decapoda: Leucosiidae) from Gujarat coast, India: Imtiyaz Beleem, Paresh Poriya & Bharatsinh Gohil

Experimental and numerical investigation on bearing capacity of granular soil affected by particle roundness: Babak Karimi Ghalehjough, Suat Akbulut & Semet Çelik

A correlative study of the plaster - of - paris from various salt-pan gypsum samples of Kanyakumari and Tuticorin districts, Tamil nadu, India: A.Kumaresan & C.Vaithyanathan

Recent record of Indo-Pacific Hump-backed Dolphins (*Sousa Chinensis*, Osbeck, 1765) from the coastal waters of Andhra Pradesh, India: Priyamvada Bagaria, Jeyaraj Antony Johnson & Kupusamy Sivakumar
