CONTENTS

Review paper

Stevia rebaudiana (Bert.) Bertoni — A Review
Swati Madan, Sayeed Ahmad, GN Singh, Kanchan Kohli, Yatendra Kumar Raman Singh and Madhukar Garg

Research papers

Antibacterial, antifungal, piscicidal and cardiac activities of Derris heyneana (Wight & Arn.) Benth.
Ravindra V Badhe, Sonali R Badhe, Sumitra J Jangam, Prafful Rane and Asha B Thomas

Analysis of phytochemical variability in Neem formulations
S Gunasekaran and B Anita

Antimicrobial activity of Momordica cymbalaria Fenzl aerial parts extracts
Sangeeta Sajjan, SH Chetana, Padmaa M Paarakh and AB Vedamurthy

In vitro antioxidant and antibacterial efficacy of Feronia elephantum Correa fruit
N Nithya and U Saraswathi

Antioxidant potential of selected vegetables commonly used in diet in Asian subcontinent
RN Gacche, VN Kabaliye, NA Dhole and AD Jadhav

Effect of ethanolic extract of Phyla nodiflora (Linn.) Greene against calculi producing diet induced urolithiasis
Sujatha Dodoala, Ranganayakulu Diviti, Bharathi Koganti and KVSRG Prasad

Demonstration of the potential of Hibiscus cannabinus Linn. flowers to manage oxidative stress, bone related disorders and free-radical induced DNA damage
S Mukherjee, SD Jagtap, AA Kuvalkar, YB Kale, OP Kulkarni, AM Harsulkar and PK Pawar

Pharmacognotistical studies on the rhizome and root of Smilax zeylanica Linn. –A potential alternate source for the Ayurvedic drug Chopachinee
V Madhavan, HT Hemalatha, MR Gurudeva and SN Yoganarasimhan

Bacteriostatic potential of Argemone mexicana Linn. against enteropathogenic bacteria
Vivek Kempraj and Sumangala K Bhat

Evaluation of Abelmoschus starch as tablet disintegrant
G Ramu, G Krishna Mohan, KN Jayaveera, N Suresh, Chandra Prakash K and B Ramesh

Combined antimicrobial and aroma finishing treatment for cotton, using micro encapsulated geranium (Pelargonium graveolens L’ Herit. ex Ait.) leaves extract
G Thilagavathi and T Kannaian

Diuretic activity of Bixa orellana Linn. leaf extracts
B Radhika, Nasreen Begum, K Srisailam and VM Reddy
Anti-inflammatory and analgesic activity of *Barringtonia racemosa* Roxb. fruits

P Shikha, PG Latha, SR Suja, GI Anuja, S Shyamal, VJ Shine, S Sini, NM Krishnakumar and S Rajasekharan

Physico-chemical and nutritional evaluation of indigenous wild fruit *Kasmal, Berberis lycium* Royle

P Sood, R Modgil and M Sood

Changes in the essential oil composition of rose-scented geranium (*Pelargonium graveolens* L’Herit. ex Ait.) due to date of transplanting under hill conditions of Uttarakhand

RS Verma, RK Verma, AK Yadav and Amit Chauhan

Effect of different sources and levels of potassium on growth, flowering and yield of African marigold (*Tagetes erecta* Linn.) cv. ‘Siracole’

P Pal and P Ghosh

Survey of crude drugs from Coimbatore city

Mathan C Nisha and Sevanan Rajeshkumar

Short Communication

*In vitro* antifungal study of the efficacy of some plant extracts for inhibition of *Alternaria carthami* fungus

Abhijit Ranaware, Vrijendra Singh and Nandini Nimbkar
