

Indian Journal of Traditional Knowledge (IJTK)

(Quarterly Journal Published by CSIR-NISCAIR, India)

Instructions to Authors

Indian Journal of Traditional Knowledge (IJTK), the journal devoted exclusively to Traditional Knowledge, provides an excellent platform for publication of research papers related to Traditional Knowledge Systems. The language of the Journal is English. IJTK carries original research papers, review articles, short communications based on traditional wisdom. IJTK invites original research and review manuscripts not submitted for publication elsewhere. The review article will only be entertained if author(s) has included his own research work in it or has been an authority in that field. The journal covers papers on Traditional Knowledge in the following **main areas**:

1. Traditional Agriculture;
2. Traditional Animal husbandry;
3. Traditional Architecture;
4. Traditional Foods & Beverages;
5. Traditional Handicrafts and Handlooms;
6. Traditional Medicine;
7. Indian Systems of Medicine, and other related aspects

IJTK is committed and dedicated to the preservation, documentation and dissemination of Traditional Knowledge and attempts to bring the wisdom of the past to the present. IJTK is included in the Non Patent Literature (NPL) part of the Patent Cooperation Treaty (PCT) Minimum Documentation. Inclusion of IJTK in NPL of PCT Minimum Documentation will make it obligatory on the part of patent examiners at global level to search IJTK for prior art before granting patents on Traditional Knowledge. Therefore, this will enable India to protect Indian Traditional Knowledge at the global level more effectively.

IJTK also has been covered by many international databases with an impact Factor of 1.061 (JCR 2017) and good National Academy of Agricultural Sciences (NAAS) rating. The papers published in IJTK are **covered by following databases**:

1. Science Citation Index (SCI) Expanded (SciSearch R)
2. Journal Citation Reports (JCR)/Science Edition
3. PCT Minimum Documentation, WIPO (Non-Patent Literature)
4. CAB International, UK
5. NAPRALERT , USA
6. National Technical Information Service (NTIS), USA
7. MANTIS Database , USA
8. Food Science and Technology Abstracts, UK
9. Medicinal and Aromatic Plants Abstracts (MAPA), India
10. Indian Science Abstracts (ISA), India

Authors, who wish to submit a manuscript online, should consult and peruse carefully recent issues of IJTK for format and style or may visit CSIR-NISCAIR website (www.niscair.res.in). Authors may check the manuscript status online as soon as a decision has been made to accept or return a manuscript that may be outright or with the possibility of revision and resubmission for a new evaluation. The Editor's decision in these matters is final. Manuscript along with referees' comments will be sent to the author identified for correspondence on the title page of the manuscript. It should be checked carefully and the modified manuscript should be uploaded within ten days of receipt. No page proofs will be sent to author(s). PDF of the published papers will be provided to the author via e-mail. It is mandatory for the corresponding author to mention his/her e-mail ID.

It is mandatory on the part of the corresponding author to furnish the following **certificate at the time of submission of the manuscript**:

This is to certify that the reported work in the paper entitled <Title> submitted for publication is an original one and has not been submitted for publication elsewhere. I/we further certify that proper citations to the previously reported work have been given and no data/tables/figures have been quoted verbatim from other publications without giving due acknowledgement and without the permission of the author(s). The consent of all the authors of this paper has been obtained for submitting the paper to the 'Indian Journal of Traditional Knowledge (IJTK)'.

Signatures and names of all authors

Ethical Issues

IJTK values publication ethics and guidelines as defined by the Committee of Publication Ethics (COPE). For human/animal experimental model, authors should follow ethics prepared by Indian National Science Academy (INSA), New Delhi, India; Animal Welfare Division of the Ministry of Environment & Forest, Govt. of India, New Delhi; Council of International Organization of Medical Sciences (WHO/UNESCO), NIH and PHS. In such research communications, it is mandatory for authors to mention about the approval for the particular research work obtained from the relevant/respective institutional committee on ethics. Studies involving human subjects should follow the required procedure of securing 'informed consent'. A statement on 'conflict of interest (COI)' has to be included in the declaration at the time of submission of the manuscript.

The copyright of the paper will be transferred from the author to publisher. The manuscript has to be submitted online through <http://op.niscair.res.in>. The manuscript, after referees' acceptance and comments, will be sent back to the author(s) along with referees' comments. Revised manuscript is to be uploaded online by the author.
