

Information for Readers

We encourage readers to sign up for the publishing notification service for this repository. Use the Register link and register yourself. It will result in the readers receiving the E-mail alert for each new issue. This list also allows the NPARR to claim a certain level of support or readership. The Privacy Statement assures readers that their name and E-mail address will not be used for other purposes.

For including in respective categories, we would like to ask you to contribute soft copies of: (i) Abstract of your excellent papers published during the last one year or current year in any journal; (ii) New technologies/ Know-how Developed at your Institute or University; (iii) Books for review or book reviews for publication; (iv) Forthcoming events and Theses awarded in recent past. We certainly hope that more ground will be covered in future issues. The librarians are requested to list NPARR among their library's electronic journal holdings. You may send your above contributions to Mrs Pramila Majumdar, on E-mail Id: nparr@niscair.res.in
