Design a Logo

For A
Premier Science
Communication
Institute!

CSIR - National Institute of Science Communication and Information Resources is a leading Institute engaged in communicating scientific information for the past more than six decades through its journals, magazines, books, information resources, field activities and services.

And now, you too can be a part of CSIR-NISCAIR by coming up with unique concept-based designs for the Institute's logo. The logo should project "Science Communication" which implies bringing science, technology and innovations to everyone i.e. common man, scientists, children, women, farmers, policymakers, etc.

Terms and Conditions

- Participants may be of any age group and discipline from India.
- Multiple submission of logo by the same participant will not be considered.
- There is no participation fee involved for submitting the design.
- The design should not violate the Indian Copyright Act and must not contain any provocative, objectionable or inappropriate content. CSIR-NISCAIR will not bear responsibility for any Copyright infringement.
- CSIR-NISCAIR will own the intellectual property of the prize winning logo. The institute will reserve the right to modify the selected entry and use it in any form.
- One logo will be selected as the best logo by a specially constituted selection committee.
- The selection would be on the basis of elements of creativity, originality, composition, technical excellence, artistic merit, visual impact and theme of design.
- Decision of the selection committee will be final and no clarification would be issued to participants.
- Disqualified entries will not be used by the Institute for any purpose and the Institute will have no intellectual property rights over these entries.
- The winner will be awarded a sum of ₹ 5,000/- in cash.

Last Date of Submission
30 June 2017
