

## *Science Reporter* Price Rise!

### Your Favourite Magazine Just Got a Bit More Costly

In the face of rising input costs, despite our inclination not to do so, we have been forced to raise the price of ***Science Reporter*** from the July 2013 issue onwards. The price of a single issue of the magazine would now be ₹ 30.00. Subsequently, the rates of subscription also stand revised as given below :

1 year	₹ 300.00
2 years	₹ 570.00
3 years	₹ 810.00
Foreign (Annual)	US\$ 90.00

***Subscribe at the old rates before 30<sup>th</sup> June 2013 and save money!***

***However, the price rise notwithstanding, we promise not to let your expectations down—we will bring you more science and more fun-filled knowledge and excitement with a much more colourful look.***

We do hope our readers will bear with us.

## **IT'S COMPETITION TIME ONCE AGAIN!**

### *Science Reporter* Announces **Science Fiction & Science Cartoon Competitions 2013!**

- ➡ *Science Reporter* once again announces its Science Fiction and Science Cartoon Competitions. We invite **original contributions** from our readers. You may take part in any of the two competitions or even both.
- ➡ In the Science Cartoon category not more than four original cartoons may be sent per entrant. And remember, the cartoons should relate to scientific topics only.
- ➡ In Science Fiction, readers are requested to send only one entry per entrant. The entries must be restricted to about 2000-2500 words.
- ➡ All entries – Fiction as well as Cartoon – should be original and should be accompanied with a self-declaration saying that the contribution is original.
- ➡ All entries should have the following details: Name, Address, Age, Class (in case of school student), Professional Affiliation, and Email.
- ➡ The winning entries will be published in ***Science Reporter***. There is no entry fee.

**The last date for receiving the entries is 15 September 2013**

Send your entries to:
